

**FERRER  
PHARMA**

**Now supplying Chemotechnique Patch Test products and Diater DAP®**

Dear Healthcare, Professional,

2018 has seen some new and exciting developments for Ferrer Pharma. We invite you to join on this journey with us in this e-newsletter.

## **Chemotechnique Patch Test solutions**

Chemotechnique has provided Patch Test solutions since 1981 and is proudly recognized as the Trusted name in Patch Testing.

Comprised of the 60 most common substances known to cause skin allergies in Australia, Chemotechnique Diagnostics Australian Baseline Series 2017 offers superior diagnostic ability and is the recommended series for the general screening of patients with suspected allergic contact dermatitis in Australia.
